The Kentucky State Target Archery Association (KSTAA) will award up to six (6) scholarships in the amount of \$1,000 each to Kentucky high school seniors or college/post-high school vocational/university students during April, 2021.

To qualify for these awards, applicants must submit the attached application form with required attachments no later than April 1, 2021 and must meet the following criteria:

1. Have participated in a high school or college/university Kentucky JOAD program for a minimum of 2 years;
2. Currently be a senior in high school through second-last year of a post-high school program;
3. Provide proof of Kentucky residency throughout high school or post-high school education via transcripts.
4. Have been admitted to, or be currently attending, a college/university/post high school vocational program;
5. Have maintained a GPA of 3.0 or higher throughout high school or college;
6. Have competed in a minimum of **1 out of 2** KY State JOAD competitions held since June, 2020.
7. Not previously been the recipient of a KSTAA scholarship.

Scholarship recipients will be notified electronically by May 1, 2021. Scholarship monies will be sent directly to the recipient's post-secondary institution. No monies will be released until current transcripts and letter of acceptance to college/post-high school vocational/university program (for those graduating high school) are received by KSTAA.
